NANUK[™] | MEDIA CASE SERIES
PROFESSIONAL PROTECTIVE CASES

nanuk.com

DESIGNED TO
SURVIVE THE JOURNEY

THE CHOICE OF **PROFESSIONALS**

Designed for a perfect fit.

Professionals and amateurs are travelling the world with gear in tow, striving to catch that perfect shot. Extreme-action cameras, high altitude drones and portable camera stabilizers have become indispensable tools for photographers and videographers at all levels. This sensitive equipment needs world class protection.

The NANUK™ Media series is a plug and play solution engineered to protect your gear during transport. The custom foam inserts have been carefully designed to accommodate most popular models with additional storage space for accessories. Need extra batteries? We thought of that. Want to include a smartphone? There's space for that too. Each case interior has been tailored to perfectly fit your equipment using only the highest quality foam materials. Simply pack and go.

Plasticase recognizes the importance of using technology to tell the modern story. Whether you are looking to take the perfect shot or tell an amazing story, NANUK™ ensures that your equipment is always safely stored and survives the journey.

NANUK™ Accessories

Lockable Powerclaw Latch Retrofit Kit

TSA Accepted Lock

The easy to install retrofit kit can be installed on many NANUK™ cases and adds another layer of security to your case. All our TSA accepted latches bear the Travel Sentry® Red Diamond logo which allows security personnel to open your lock for inspection when required during travel without damaging the case.

Compatible with NANUK™ 908 – 918 – 920 – 925 – 933 – 935 – 940 – 945 – 950 – 960 cases.

TSA Accepted Padlock

TSA accepted locks offer the security of a padlock but can be easily opened and inspected by airport security and then locked again without damaging the lock.

Desiccant Container

NANUK™ reusable desiccant containers protect all types of sensitive gear from deterioration, corrosion, mold and other damage caused by moisture or high humidity. Simply place the desiccant container inside the case along with your items. The desiccant container will absorb up to 34% of its own weight in water vapor to rapidly remove moisture and keep your case dry to protect against damage.

Shoulder Strap

Our neoprene shoulder strap incorporates Aircell™ comfort technology to reduce fatigue when transporting your case. The shoulder strap can easily be attached to most NANUK™ cases without any additional hardware.

*Compatible with NANUK™ 905 – 945 cases

Padded Dividers

If you require compartmentalized protective organization of your components or equipment, our padded dividers are the right choice. Easily tailored to your needs with repositionable tongue and groove fasteners, our padded dividers are designed to easily organize and protect your equipment.

*Available for NANUK™ 905 – 960 cases.

NANUK™ Features

Powerclaw latching system

Reinforced metal eyelets

Pressure equalizer valve

Polyurethane wheels

- **IP67 rated protection** from dust and water
- **Mil-spec impact resistant** NK-7 resin
